Please continue to Ministry page 

God has given each Christian two vitally important gifts. The first is the gift of faith in Jesus Christ, His work of redemption, and thus forgiveness of sin. The second is the gift of one or more special abilities, which are to be used for the purpose of unifying the Body of Christ and for the growth of God's Kingdom. These abilities are called Spiritual Gifts and they are received through Baptism. Like other presents, it is impossible to fully appreciate and make use of Spiritual Gifts until they have been opened.

Would you like to explore, discover and begin to open and employ your Spiritual Gifts by taking a self-assessment to help you determine how God is calling you? Yes No

Please write the Initials of each household member interested in a ministry
